

THE 28TH BUDAPEST NEPHROLOGY SCHOOL

Nephrology, Hypertension, Dialysis, Transplantation, Nephropathology

26 - 30 August, 2024

Held at Semmelweis University with a highly distinguished international faculty, the Budapest Nephrology School is one of the most well-known refresher courses in the field of nephrology. It attracted many young physicians from Europe and around the world (68 countries) since 1993.

Features:

- Nephrology course with diverse topics, including: electrolyte disorders, glomerular physiology and pathophysiology, transplantation, nephropathology, tubular diseases, chronic kidney disease, hypertension
- Lectures from leading experts of nephrology
- “Meet the Professors” – an informal meeting during which participants can discuss their experiences and observations with the faculty
- A poster session which aims to have the participants discuss and consult their own research with the faculty

The registration fee includes:

- Attendance at the nephrology refresher CME course,
 - Certificate of Attendance
 - Refreshments, lunches
